B.Tech. Admission Notification (Academic Year 2021-22)

École Centrale School of Engineering, Mahindra University (MU) Hyderabad, offers several interdisciplinary four-year B.Tech. degree programs in engineering education, in partnership with the École Centrale Group of Institutions of France.

This fully residential, **B.Tech.** program is aimed to create engineers with the unique ability to adapt to global engineering challenges and adopt new technologies that would help redefine the future, at the same time shaping professionals with the ability to master the complexities of multinational organizations.

Sponsored by Mahindra Educational Institutions (MEI), a subsidiary of Tech Mahindra, the flagship IT company of the Mahindra Group, Mahindra University's purpose is **'To educate future citizens for and of a better world'**.

MU's overarching **Vision** is to

- Train multi-skilled leaders capable of reflection as well as innovation, committed to inclusive and sustainable progress
- Aim for interdisciplinary academic excellence by integrating the study of science and technology with liberal arts in the sense covering humanities, ethics and philosophy, and design thinking
- Balance education with experience through entrepreneurial projects to solve complex challenges facing society.

An international faculty roster, possessing a rich industry-academic background, global exposure and research focus, ensures that the curriculum remains contemporary, constantly evolving, and aligned to the global business and industry requirements.

Program Highlights:

- A truly international program with a focus on the natural, creative and engineering sciences
- **Mandatory 100% residential program**
- Environment of unique cultural immersion for students, faculty and staff
- International Exchange Program with mandatory internships
- A research-driven program with close links to industry
- Inter-disciplinary approach with a blend of Humanities, Social Sciences, Management and Philosophy.

Program Profile: **B.Tech. / BACHELOR'S DEGREE PROGRAM**

This B. Tech. Degree will be awarded after completion of four years of study as per academic program & curricula set and approved by the Academic Council of the University.
